

XL-Clean *Cleaning-degreasing Products*

XL-Clean : All purpose heavy duty cleaner/degreaser

XL-Clean is designed to remove oil, dirt, grease and other deposits from different surfaces (including wood, plastic, concrete, porcelain, and metal surfaces).

It is a special blend of surfactants, builders, degreasing agents, citrus extracts and environmentally safe organic binder.

1 puck produces 25 gallons of heavy duty degreaser

Applications:

- Clean drilling and oil field equipment
- Machinery and tools coated with grease or oil
- General industrial cleaning
- Kitchen equipment cleaning for grease removal
- Household cleaning - grills, grease traps, oil stains

XL-Clean Features:

- Removes dirt, grease and tar
- Generates degreaser on demand in the field
- Applicable for use with power washers
- Foaming action increases surface contact time
- Can be used with hot or cold water
- Use as deodorizer, degreaser, cleaner
- Safe on any type of surface (metallic, non-metallic)
- Highly economical, low cost per gallon
- Leaves a pleasant citrus odor

Instructions:

Add 1 XL-Clean puck to 25 gallons of water. The puck dissolves to produce liquid degreaser. Apply to dirty surface, rinse. Air dry or wipe surface for a clean finish.

Storage:

Store away from moisture.
